Some help:

- <https://www.thesocialdilemma.com/>

Answer these questions:

1. Did you watch the movie?
2. What is the topic of the class at Stanford University that key people from Facebook, Uber, and other companies attended that heavily influences how social media works today?
3. What phrase, if typed into Google, can give you different suggestions or results based on your location and what Google knows about you?
4. What two industries call their customers 'users'?
5. One of the people interviewed talks of three rules that make life easier for families. What are the three rules?

Report: Write a sentence or paragraph for each of these questions:

1. What is the problem?
2. Why is it a problem?
3. What are YOU scared about in relation to social media?
4. Why does it scare you?
5. What can we, the general public, do to control this?
6. What will YOU do differently?
